Question.

The colored Badge or Medal - which I wish to present to your Society - was struck in connection with the 25th Annual Congress of the Nat. Society - Sons of American Revolution, commencing at Syracuse N.Y. May-18-19-1914 - one each being presented to each delegate.

Will you, at your convenience give me a list of the Indian War Medals you have in your Cabinet -

I have several, and possibly some you have not - Very Respectfully Yours

Dear Sir: Your letter and Catalogue of the
exhibition duly recd, which I thank you for.

I understand that Mr. Adams is to
return to your Society the 3 Perry Medals
illustrated in March Numismatic - and you
may retain same, until the Medal exhibit
is held -

When will the Medal exhibit be held,
when I can send you a number of other
interesting and quite unique Medals and
Badges for the exhibit.

Should it be asking too much, if the Society
could loan me the cost of the Wash - N.Y.
Cent for a few days -

I am publishing the 17th Ed of the Numismatic
Guide and would like to include same with
my other illustration - of which I will forward a
cloth bound copy to the Society when Published
Very Respectfully
G. C. Arnold

Mr. George C. Arnold,
124 Washington Street,
Providence, R. Is.

My dear Mr. Arnold:-

I delayed replying to your letter asking for the use of the cut of the Washington-New Jersey cent, for the reason that the cuts that were used in the catalogue of the exhibition, have not yet been returned by the printer.

I am expecting that these cuts will be sent back in the near future, although I do not know just how soon. Will you kindly let me know if it will be in time for your publication, if I send you this cut when received?

We have had your three Perry medals on exhibition for some little time, although we are not at present contemplating any special exhibition of medals.

Very truly yours,

Secretary.
